

## DR. NISHITA JUNEJA

### ABOUT

I am a dedicated healthcare professional with a Bachelor of Ayurvedic Medicine and Surgery (BAMS), recently honed my skills through an internship. Passionate about blending traditional Ayurvedic practices with modern healthcare, I focus on delivering personalized, holistic care. My training has equipped me with strong knowledge in diagnostics and treatments, and I am committed to advancing my expertise to promote wellness and balance. With a patient-centered approach, I aspire to contribute to the growing recognition of Ayurveda in the global healthcare landscape.
